

TEACHER PREP – DAY GROUP

BE READY TO ARRIVE!

When arriving, buses and transportation will drop students and chaperones off at our Welcome Pavilion (“The Fort”), or other designated space. Pendalouan staff will greet and begin orienting students to the property.

STUDENTS

Please make sure students know their chaperone and activity group before arriving. **Nametags** with both a student’s name and group will help them with this information. A printed list of groups will also help our staff.

Upon arrival, students can plan on staying with their activity group.

BELONGINGS

We suggest limiting personal items brought for the day. Pendalouan will provide a designated space for groups to keep their belongings for the day, as well as a space for sack lunches if needed. Pendy staff are happy to help transport materials as needed.

ATTENDANCE

Please have significant attendance changes of both students and chaperones ready, as well as copies of group lists for Pendy Staff. This will speed up activities and provide for a smoother experience.

CAMP STORE

The Pendalouan Trading Post has clothing and souvenirs for purchase. All sales support Pendalouan campers throughout the year. An updated store list will be supplied to each group.

PARENT CHAPERONES

We are happy to include parent chaperones in activities for the day! Please communicate expectations to chaperones. It is helpful when chaperones help children to listen and participate fully in activities, as well as helping instructors if necessary. We recommend no more than a 1:8 ratio of adult to student. This helps keep parents engaged as well as students.

STUDENT EXPECTATIONS

Please share expectations with all students to make sure they are ready to participate fully and stay safe. It is recommended the schedule be shared prior to arrival.

ORIENTATION

Upon arriving, Pandalouan Staff will greet students, help them to their "home base", and provide an orientation session with further expectations and safety guidelines.

AREAS OF INTEREST

Students are allowed in fenced and posted areas only with Pandalouan staff. This includes the T-Dock, boating area, and other activity areas.

Students are welcome to use both the Sandlot, Basketball, and Volleyball areas as time allows. Please be responsible with sports equipment when finished.

SIGNAL

While on site, A bell (or horn) is a major piece of communication. It signals meals and activities. Please only ring the bell when asked to do so. When you hear the signal, please line up at your designated space.

BUILDING INFORMATION

Please only enter your assigned building.

- Please keep belongings with you or in a designated building.

OTHER AREAS

- Medications must be turned into teachers and will be dispersed by them as needed.
- Shoes must be worn at all times.
- Please be respectful to camp property and wildlife.

STUDENT BEHAVIOR

Students at Pandalouan are still in session at school All school rules and expectations apply while on Pandalouan grounds. Major discipline concerns should be brought to Group Leaders/Teachers.

While at Pandalouan, students are expected to make choices with both voice and body using the four core values of the YMCA: Honesty, Caring, Respect, and Responsibility.
